To whom it may concern,

This is to confirm Dr Deepak Mantri has been invited by Australian Orthopaedic Association to attend our Annual Scientific meeting (ASM) as a visiting Fellow, which is part of a reciprocal arrangement in place with the Indian Orthopaedic Association. During his stay Dr Mantri will also be presenting scientific papers during the conference.

This year our ASM will be combined with the New Zealand Orthopaedic Association in Rotorua from 9-14 October 2011.

In the spirit of international cooperation and friendship I would kindly request you to approve Dr Mantri's application as his presence at the meeting helps to facilitate the free exchange of ideas, which is of mutual benefit to all countries involved.

Sincerely,

Bill Cumberland
President
